No. G. 26602—G. M. 223-18-2, dated 27th May 1919.

The following Press Communique dated Simla, the 2nd May 1919, issued by the Government of India in the Foreign and Political Department, regarding the arrangements made for the Haj Pilgrimage during the current season is hereby republished for the information of Moslems in the State:—

"The Government of India are glad to be able to announce that in spite of the world-wide shortage of shipping and the abnormal rise in passage rates to all destinations (which in the case of sailings from Bombay and Karachi has been enhanced by the lack of cargo), they have succeeded in making special arrangements for the provision of ample shipping, to convey pilgrims to and from the Hedjäs during the current pilgrimage season at return rates not greater than those which obtained before the war.

This concession will be open to pilgrims from India and the adjacent Moslem countries, but it is not intended to benefit pilgrims from China, Java, Russia, etc.

Another privilege which the Government of India have been able to secure is a series of sailings from Karachi, where special provision has been made for the reception and comfort of pilgrims from Sind, Baluchistan, the North-west Frontier, the Punjab and the western parts of the United Provinces.

These arrangements have only been arrived at after protracted negotiations with the shipping companies and others concerned and at considerable expense. But the Government of India were determined that the Moslem community, who have borne so patiently the restrictions which war conditions inevitably imposed on the Haj, should be afforded special facilities for the performance of this religious duty now that the war is over."

By Order,

C. S. BALASUNDARAM IYER,  
Chief Secretary to Government.
